December 26, 1946.

School Board, Starksboro Schools, Starksboro, Vt.

Gentlemen: Due to the unforeseen rise in the cost of living since contracts were signed and the action which has been taken by surrounding communities, the teachers of Starksboro deem it advisable that they be granted a cost of living bonus in the amount of two hundred fifty dollars (\$250).

The blame for the inadequacy of the amounts stipulated in the contracts to meet the abnormal expenses of these times can be placed on neither the school board nor the teachers but upon the unforeseen (at contract time) rise in the cost of living.

The teachers trust that you will agree with them in the above situation.

Yours truly,

MRS. E. L. BOURDEAU,
MRS. L. B. BASLOW,
HELEN R. ORVIS,
AGNES W. ORVIS,
BERTHA R. BROWN.

REPORT OF THE PUBLIC HEALTH NURSE

* The public health nursing service in this town has not been an active one since the resignation of Mrs. Rebecca Sherwood on December 1, 1945.

As Supervisor of the Public Health Nursing Program, I have at various times had several conferences with your town officials and others interested in the program to discuss the concern of the Directors of the State Health Department over the lack of nursing services and to give the assurance that continuous efforts were being made to secure a Public Health Nurse.

This fall I attended one meeting of the Parent-Teachers' Association in South Starksboro. The plans of this group to continue with their health program were to me a most encouraging sign that the years of public health nursing services in this community had developed a firm foundation which enabled this organized group to carry on in the absence of a Public Health Nurse.

The School Health Program should be one of the first services started by Mrs. Corrine Plummer when she reports for duty the first of February.

Respectfully submitted,

LOIS STEARNS,
Public Health Nursing Supervisor.

REPORT OF SCHOOL SUPERINTENDENT

The school enrollment in Starksboro this year is 115 compared with 110 last year. It is impossible to give the pupils at the Robinson School proper training with such a large enrollment.

The task of educating boys and girls has grown constantly, due

to the fact that the schools are seeking to provide educational opportunities of equal value to all boys and girls, regardless of their varying abilities and needs. We must constantly stress the urgent need for teaching children, not only how to read, write and count, but also how to do well the important things they do in their everyday living. The wise use of leisure is an important part of the program.

One of the important problems which should be considered is the school library. It is impossible to build a large library in each school, but a small number of good reference books can help greatly in our schools. When sets of reference books are considered, we should be sure that they would be approved by the Free Public Library Commission, because it is claimed that many dollars are spent each year in Vermont for sets of worthless books.

The bookwagon service is a very important one, which the rural schools appreciate. During 1943-1944, with curtailed service, the four bookwagons in the state delivered 81,726 books to rural schools.

It is clear that health guidance, physical education and recreation make important contributions to physical fitness in schools. The schools are expected to bring practical opportunities for the development of health and physical fitness to all the children. Within a short time we hope to have a school nurse who will help to promote health and physical fitness for all children and youth.

The school board is cooperating with several towns and will have the Massachusetts Vision Test, a school vision screening test kit accepted by the American Medical Association. The equipment will detect cases in which there is low visual acuity and eye strains. The school will be responsible for determining which children pass the test and which fail. The responsibility for diagnosis still belongs to the family eye specialist. The equipment is based upon tried and familiar techniques used by eye specialists.

With the large number of pupils at the Robinson School, it is going to be necessary to consider some playground equipment. The Goal-Hi, described as a lead-up to basketball, might be approved for this school playground. Many adults seem to be interested in this equipment. All of our schools should be considered, when we make plans for recreation.

We have now reached the point where all of our schools have electric lights. It is a big improvement and the pupils, parents and teachers appreciate the ability to continue work on dark days. It also makes it possible to use a radio with record player, which can be very important in any school. A slide film projector is another important machine used in many schools, which requires the same electric current.

We have already purchased several maps and a steel globe for one of our schools, which has none of this equipment. We hope to be able to purchase more of this equipment, which will be very important in history and geography classes. None of our schools has had any material of this kind for many years.

Respectfully yours,

JOHN L. SELDEN,
Superintendent.

VERMONT OLD AGE ASSISTANCE DEPARTMENT

120 STATE STREET
MONTPELIER, VERMONT

For the information of your taxpayers the customary annual statement is presented for your Town Report.

Payments of old age assistance to persons applying from your town amounted to \$4,590.50 during the year January 1, 1946 to December 31, 1946.

Payments for funeral expenses, \$100.00.

The number of recipients in December, 1946 was 16 monthly payment \$454.50.

The maximum payment which can be made by this department is \$40.00 per month. In October 1946 we were able to make payments above \$30.00 for the first time. This was due to an appropriation of \$50,000 by the special session of the legislature and a temporary change in the basis of federal matching. Congress authorized the Social Security Administration until December 31, 1947 to reimburse the States \$10.00 for the first \$15.00 paid. For the balance of the payment the old fifty-fifty matching basis is still in effect.

Many increases were made to meet cost of living budgets. Grants are practically up to date on current investigated applications. Intake has increased and is now on a prewar basis of about 100 applications per month.

Average Grant, December, 1945.....\$23.38

Average Grant, December, 1946..... 29.14

This department has always received a high degree of cooperation from local officials and interested individuals. On behalf of the agency I extend thanks.

Very sincerely yours,

W. L. SEWARD,
Director.

WARNING

The legal voters of the Town of Starksboro and Town School District, in the County of Addison, and State of Vermont, are hereby notified and warned to meet at the Town Hall within said Starksboro, on Tuesday, the 4th day of March, 1947, at 10 o'clock standard time in the forenoon to transact the following business, viz.:

1. To elect a Moderator for the ensuing year.
2. To elect a Town Clerk for the ensuing year.
3. To elect a Town Treasurer for the ensuing year.
4. To vote on the following questions:
 - A. Shall license for the sale of malt and vinous beverages be granted in this town?
 - B. Shall spirituous liquors be sold in this town?
5. To act on the Sunday Law under No. 5 of the Acts of 1939.
6. To see if the voters of the town will accept and adopt the Auditors' report for the year 1946-47 as printed.
7. To elect one Selectman for the term of three years, by ballot.
8. To elect one Lister for the term of three years, by ballot.
9. To elect one Auditor for the term of three years, by ballot.
10. To elect one Auditor for the term of two years, by ballot.
11. To elect one Auditor for the term of one year, by ballot.
12. To elect one School Director for the term of three years, by ballot.
13. Will the voters authorize the Selectmen to appoint one or more Road Commissioners, or will the voters elect by ballot?
14. To elect all other officers required by law.
15. To see if the town will vote to take advantage of the State Law providing for extra maintenance money from the State, if the town shall expend not less than \$25.00 per mile from its own funds for such purposes as provided by No. 101 of the Acts of 1937.
16. To see if the voters will vote money to take advantage of the State Aid on resurfacing and if so, how much.
17. To see what sum on the Grand List the town will vote to apply on indebtedness, and to pay current expenses for the ensuing year.
18. To make provisions for the Town School District.
19. To see when the voters will authorize the collection of real and personal property taxes, with or without discount, and to whom payable.
20. To see how much the voters wish to raise to complete work on the Carp Cole Road.
21. To see if the town will vote the sum of \$75.00 towards the support of the Public Health Nurse (Maternal and Child Health Nursing Service) in order that the service already established may be continued, and in such manner as to take advantage of Federal Aid.
22. To see if the voters will authorize the Selectmen to borrow money and pledge the credit of the town, from time to time, to provide temporarily for past and current obligations as found necessary or expedient by them.
23. To see if the voters will authorize the Selectmen to sell the Mason Hill, Shaker Hill, and Ireland Schoolhouses.
24. To see if the voters will sell a part or all of the Francis property.
25. To transact any other proper business when met.

AGNES ORVIS,
A. L. STEADMAN,
KENNETH BESAW,
Board of Selectmen.

Dated at Starksboro, this st day of February, A.D. 1946.

YOUR PUBLIC HEALTH NURSE

Town, State, and Federal Funds make it possible for residents of Starksboro join with the people of many other towns and villages of various sections of the nation in enjoying the advantages and protection of the Public Health Nursing Program.

The tax funds used in supporting Public Health Nursing Services are derived in the following manner: 10% is appropriated from town funds; 28% from the State of Vermont; while the remaining 62% is derived from Federal funds.

With the current national shortage of nurses, the Public Health Nursing Program is severely handicapped today by the many difficulties encountered in procuring a sufficient number of properly qualified nurses who are capable of assuming duties and responsibilities that the average nurse is not especially trained to handle.

The responsibility of your public health nurse, Mrs. Eleanor Sherwood, is determined by the health needs of the town and the money available for carrying on the work. It may include the following activities: assisting expectant mothers to carry out their physician's instructions for good prenatal care; care of the new mother and baby; health supervision of the infant, preschool, school child, and adult, including the prevention and control of disease, and aiding in the correction of defects. These are just a few of the services made possible by your public health nurse.

Following is a summarization of the services of the public health nurse from January 1, 1947 to December 31, 1947.

*Type of Service:**Morbidity:*

Seven visits to give nursing care to the sick in their homes.

Maternity Service:

Twenty-three visits were made to expectant mothers and to new mothers and their infants.

Infant and Preschool Hygiene:

Eleven were given medical examination by a physician.

Seventy-eight visits were made to homes to discuss with parents the health needs of their children.

School Hygiene:

Two hundred three personal hygiene inspections were made by the nurse.

Eighty-nine children were given a medical examination by a physician.

Thirty-five visits were made to the schools to assist with the school health program.

One hundred twelve hearing tests were made with an audiometer.

Thirty-five visits to the homes to consult with parents about health problems of their children.

Communicable Disease Preventive Measures:

Forty-five children of all ages immunized against diphtheria.

Twenty-four children of all ages vaccinated against small-pox.

VERMONT DEPARTMENT OF SOCIAL WELFARE
120 STATE STREET
MONTPELIER, VERMONT

Since payments by the State have a considerable part in lowering local tax rates the following information is furnished as a public service for inclusion in your Town Report:

Payments to persons found in or applying from Starksboro calendar year ending December 31, 1947:

For Old Age Assistance	\$ 5,533 00
Blind Assistance	339 50
Aid to Dependent Children	573 20
Adult Crippled Aid	78 00
Committed Children	131 64
<hr/>	
Total	\$ 6,655 34

The newly established Department of Social Welfare administers programs formerly administered by the Department of Public Welfare and the Old Age Assistance Commission. It is responsible for the determination of eligibility and continuation of eligibility and within the limitations of money available, for the payment of financial assistance to approximately 9,000 individuals in various categories from youth to old age. Increase in the cost of living, unemployment, family insecurity, divorce, sickness, lack of housing, inadequate social security benefits, exhaustion of savings and a longer life span are factors in applications for aid and the amount of need.

This agency endeavors to function with kindly consideration of human needs and the practical and efficient expenditure of public funds. We appreciate the information and advice of so many who have cooperated with us in the past twelve years.

Very sincerely yours,

W. ARTHUR SIMPSON,
Commissioner.

WARNING

The legal voters of the Town of Starksboro and Town School District, in the County of Addison, and State of Vermont, are hereby notified and warned to meet at the Town Hall within said Starksboro, on Tuesday, the 2nd day of March, 1948, at 10 o'clock standard time in the forenoon to transact the following business, viz.:

1. To elect a Moderator for the ensuing year.
2. To elect a Town Clerk for the ensuing year.
3. To elect a Town Treasurer for the ensuing year.
4. To vote on the following questions:
 - A. Shall license for the sale of malt and vinous beverages be granted in this town?
 - B. Shall spirituous liquors be sold in this town?
5. To act on the Sunday Law under No. 5 of the Acts of 1939.
6. To see if the voters of the town will accept and adopt the Auditors' report for the year 1947-48 as printed.
7. To elect one Selectmen for the term of three years by ballot.
8. To elect one Lister for the term of three years, by ballot.
9. To elect one Auditor for the term of three years, by ballot.
10. To elect one Auditor for the term of two years, by ballot.
11. To elect one School Director for the term of three years, by ballot.
12. Will the voters authorize the Selectmen to appoint one or more Road Commissioners, or will the voters elect by ballot?
13. To elect all other officers required by law.
14. To see if the town will vote to take advantage of the State law providing for extra maintenance money from the State, if the town shall expend not less than \$25.00 per mile from its own funds for such purposes as provided by No. 101 of the Acts of 1937.
15. To see if the voters will vote money to take advantage of the State Aid on resurfacing and if so, how much?
16. To see what sum on the Grand List the town will vote to apply on indebtedness and to pay current expenses for the ensuing year.
17. To make provisions for the Town School District.
18. To see when the voters will authorize the collection of Real and Personal property taxes, with or without discount and to whom payable.
19. To see if the voters will authorize the School Directors to pay \$1.50 per pupil for hot lunches.
20. To see if the town will vote the sum of \$75.00 towards the support of the Public Health Nurse (Maternal and Child Health Nursing Service) in order that the service already established may be continued, and such manner as to take advantage of Federal Aid.
21. To see if the voters will authorize the Selectmen to borrow money and pledge the credit of the town, from time to time, to provide temporarily for past and current obligations as found necessary or expedient by them.
22. To transact any other proper business when met.

ARTHUR STEADMAN,
KENNETH BESAW,
SHERMAN ORVIS,
Board of Selectmen.

Dated at Starksboro, this 31st day of January, A.D., 1948.

NOTES

Total number of Porcupine Bounties paid during this period, 150.

Due to the early date for closing the books, money due from the State did not arrive in time to enable Selectmen to pay appropriations on indebtedness. The five thousand dollar note and interest due the Chittenden County Trust Company was paid January 11, 1949.

Under legal advice a check, which is a possible asset, for the sum of \$178.32 from the Treasurer of the Town of Lincoln to the Town of Starksboro is being held by the Treasurer uncashed.

RUBY B. CRAIG,
Treasurer.

REPORT OF SUPERINTENDENT

The school enrollment in Starksboro for the year 1948-1949 is 114 compared with 120 last year. The enrollment two years ago was 115.

We received a Pure Tone Audiometer from Montpelier for our schools. With this machine and our Massachusetts Vision Test Kit, it was possible to send the reports to the State Department of Education early this year. We are fortunate to have a public health nurse for our schools, as this helps to provide health and physical fitness for all the children. Members of the Starksboro PTA were present to use our Massachusetts Vision Test Kit and we were glad to have them do it. Health and safety education is also considered important for our schools as it is essential for complete living.

Hot lunches for our schools can be provided, no matter what difficulties are in the way. Many people are interested in the further development of the program from the point of view of making it more effective in developing better health. Many teachers, in schools where a hot-lunch program is carried on, feel that it has definitely aided their teaching situation by enabling the children to work nearer to capacity, keeping them well and able to attend school more regularly. We must all realize that the schools are doing everything possible to carry on the hot-lunch project.

I am pleased to have the improvement on the road going by the Beech Glen School. The school building has also been improved, making a much better situation for the pupils and the teacher.

The teachers are interested in working on the problem of a new report card for our children. We hope to have a more important card in order that the children, parents and teachers may have the same understanding of the standards used in evaluating the children's work. Letters should indicate the child's achievement in school, for we want the parents to see the child's progress and achievement.

When a child does not do average work in school, the parent should talk with the teacher and then try to encourage the child to improve his own work. Too many children do not try to compete with other children in school. If any parents have questions or problems, after receiving a report card, we hope that they will contact the school teacher.

Respectfully yours,

JOHN L. SELDEN,
Superintendent.

PUBLIC HEALTH NURSE

Starksboro is one of the 71 Vermont towns provided with public health nursing service by the State Department of Public Health.

Starksboro appropriated \$75.00 toward the cost of maintaining this service and State and Federal funds paid the balance.

The public health nursing service has as its primary purpose the promotion and maintenance of health and the prevention of illness in the community. In accomplishing this purpose, the private and public agencies have been most helpful.

The following statistical report shows the services which Mrs. Rebecca Sherwood and I gave your town as your public health nurses during the period January 1, 1948, through December 31, 1948.

Type of Service

To Ill Persons

6 visits giving nursing care to sick persons at home.

To Children Under School Age:

55 visits to talk with parents about health needs of their small children.

11 children received a professional medical examination.

To School Children:

32 visits to the schools.

40 children received professional medical examinations.

8 visits to homes of school children to follow up health recommendations of examining physician.

Decayed teeth and infected tonsils were the outstanding defects.

28 hearing tests were given by means of the puretone audiometer.

Prevention of Communicable Disease:

64 children of all ages were given toxoid against diphtheria and tetanus.

18 children of all ages were vaccinated against smallpox.

Respectfully,

MARY J. BREEN, R.N.

VERMONT DEPARTMENT OF SOCIAL WELFARE

Montpelier, Vermont

In accordance with established custom, we are presenting for the information of your taxpayers a summary of State payments during 1948 to individuals applying from Starksboro.

This type of State aid reflects payments from Federal aid and tax sources not available to local municipalities and to such extent represents a lightening of the local tax rate.

Old Age Assistance	\$5,021 00
Aid to Blind	1,228 00
Aid to Dependent Children	606 00
Adult Crippled Aid	78 00

AUDITORS' STATEMENT

We have examined the accounts of the Treasurer, the Selectmen, the Road Commissioner, the Overseer of the Poor, the School Directors, and the Tax Collector of the Town of Starksboro. We have checked outstanding orders and bank balance, and found them to be correct.

BEN ROBERTS,
 BERTHA B. HANSON,
 ARTHUR E. CLIFFORD, *Chairman,*
Auditors.

WARNING

The legal voters of the Town of Starksboro and Town School District, in the County of Addison and State of Vermont, are hereby notified and warned to meet at the Town Hall within said Starksboro, on Tuesday, the 1st day of March, 1949, at 10 o'clock Standard Time in the forenoon to transact the following business, *viz.*:

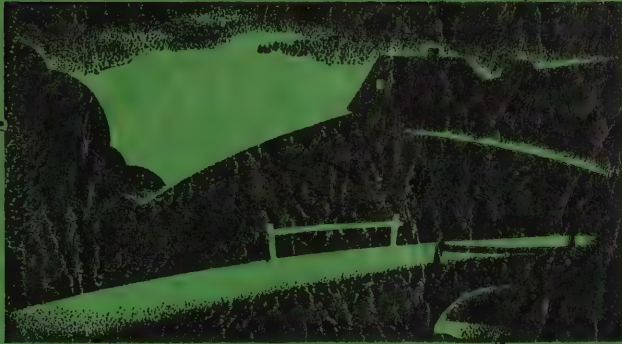

1. To elect a Moderator for the ensuing year.
2. To elect a Town Clerk for the ensuing year.
3. To elect a Town Treasurer for the ensuing year.
4. To vote on the following questions:
 - A. Shall license for the sale of malt and vinous beverages be granted in this town?
 - B. Shall spirituous liquors be sold in this town?
5. To act on the Sunday law under No. 5 of the Acts of 1939.
6. To see if the voters of the town will accept the Auditors' Report for the year Feb. 1, 1948 to Dec. 31, 1948, as printed.
7. To elect one Selectman by ballot for the term of three years.
8. To elect one Lister by ballot for the term of three years.
9. To elect one Auditor by ballot for the term of three years.
10. To elect one School Director by ballot for the term of three years.
11. To see if the voters will elect a Road Commissioner by ballot for one year or will authorize the Selectmen to do so.
12. To elect a Cemetery Commission of five; one for one year, one for two years, one for three years, one for four years, and one for five years.
13. To elect an Overseer of the Poor.
14. To elect all other officers required by law.
15. To see if the town will vote to take advantage of the State Law as provided by No. 101 of the Acts of 1937.
(Explanation: The law provides that if the town shall expend not less than \$25.00 per mile from its own funds, extra maintenance money from the State is available.)
16. To see if the voters will appropriate money to take advantage of the State Aid on resurfacing and if so, how much?
17. To see what tax rate on the Grand List the voters will appropriate on indebtedness and for current expenses of the ensuing year.
18. To make an appropriation on the Grand List for the Town School District.
19. To see when the voters will authorize the collection of Real and Personal Property Taxes, with or without discount, and to whom payable.
20. To see if the town will vote the sum of \$200.00 toward the support of the Public Health Nurse (Maternal and Child Health Nursing Service) in order that the service already established may be continued, in such manner as to take advantage of Federal Aid.
21. To see if the voters will authorize the Selectmen to borrow money and pledge the credit of the town, from time to time, to provide temporarily for past and current obligations as found necessary or expedient by them.
22. To transact, vote and act upon any further business which may legally come before said meeting.

KENNETH BESAW,
SHERMAN ORVIS,
HARLEY BRACE,

Board of Selectmen.

Dated at Starksboro, this 2nd day of February, 1949.

ROAD COMMISSIONER'S REPORT

During the past year, besides the usual scraping of road surfaces, the largest share of the time and effort of the Road Commissioner has been expended on the Quaker Church road, the Shaker Hill road, the road to Ireland, the Russell Young road, and the Gore road. These have had to be regraveled and in some instances somewhat widened. Two curves were reduced. There have been two construction jobs; one, a large culvert on the Beech Glen road (largely financed by the state), the other a repair on the Butler culvert which had become seriously damaged. On the other roads of the town there has been regraveling on soft spots and as much cleaning of ditches as funds made possible.

RUSSELL TATRO,
Road Commissioner.

Feb. 1, 1950 Total in trust fund \$ 256 55

(Note: It has been called to our attention by the Development Commission of the State of Vermont that in the year ending February 1, 1933 the sum of \$25.00 was received from Mr. and Mrs. Chase Atkins, Est. for the cemetery fund. This sum did not appear in the following year's financial report. We assume it was absorbed in the General Fund of the town at that time. The Auditors.)

REPORT OF SUPERINTENDENT OF SCHOOLS

The school enrollment in Starksboro for the year 1949-1950 is 96 compared with 114 last year. The enrollment two years ago was 120.

An interest in nature study and general science is being developed by the new science books in the third and fourth grades. We also hope to have the fifth grade science book in our schools before the end of this year. More entomological material will be necessary for most of our science books. Vermont schools have an opportunity for the study of nature that can be matched by few other states. I hope that the pupils will be interested in Arbor Day, in order that many trees may be planted. The first Arbor Day of which we have any record was April 10, 1872, when the people of Nebraska started a movement which was not confined to one state but has spread to every state in the Union.

We are very happy to have a good piano put into one of our schools because a course of study in music for elementary schools is a suggested course. According to our "Suggested Course of Study in Music," children who play the piano should be encouraged to play some of the easier songs in order to develop an ability to accompany. There are at least two schools in my five towns which would like to have a piano in their rooms.

Several things have been improved at the Robinson School in the building and on the playground. This spring we expect to have available the basketball equipment, in which the pupils will be very much interested.

The widespread revival of interest in the study of English words has stimulated the desire of our teachers for a simple and interesting book about words for each grade. Inspired by accepted practical objectives in word study and centered chiefly about the everyday problems and interests of pupils, our books attempt to accomplish several aims. Since children are expected to understand the spoken and written symbols used to express all phases of life, they must have experiences in each phase to comprehend correctly the oral and written symbols peculiar to that phase of life.

According to the modern viewpoint of geography, maps are necessary and we need more of them for the classrooms. It is possible to teach a few geographic topics without the use of good maps, but the great majority of topics require maps of various kinds. Maps should be in every geography classroom and study room, so that the pupils may conveniently refer to them at all times. The textbooks

have maps which are of much value, yet in a schoolroom it is of great importance that there are several wall maps. A globe, which should be used when needed, occupies a very important position in the study of geography.

Respectfully yours,

JOHN L. SELDEN,
Superintendent.

PUBLIC HEALTH NURSE

Starksboro is one of the 88 Vermont towns provided with public health nursing service by the State Department of Health.

This town appropriated \$200 toward the cost of maintaining this service. Of total funds appropriated for health department public health nursing service, local towns contribute 20 percent, the State of Vermont 41 percent, federal grants-in-aid 39 percent.

The public health nursing service has as its primary purpose the promotion and maintenance of health and the prevention of illness in the community. In accomplishing this purpose the Parent-Teachers' Association, the Public Health Council and other private and public agencies have been most helpful. The following statistical report shows the services which I gave your town as your public health nurse during the period January 1, 1949 through December 31, 1949.

Type of Service

To Mothers:

11 visits to expectant and new mothers.

To Ill Persons:

28 visits giving nursing care to sick persons at home.

To Children Under School Age:

181 visits to talk with parents about health needs of their small children.

45 children received a professional medical examination.

To School Children:

28 visits to schools.

42 children received professional examinations.

37 visits to homes of school children to follow up health recommendations of examining physician.

Prevention of Communicable Disease:

70 children of all ages were given toxoid against diphtheria and/or tetanus.

27 children of all ages were vaccinated against smallpox.

Corrective Work:

Follow-up of the medical recommendations and health inspections reveals four children had eye trouble corrected; one correction was financed by the Vermont Association for the Blind. Two children received some dental care.

Respectfully,

MARY J. BREEN, R.N.,
Public Health Nurse.

VERMONT DEPARTMENT OF SOCIAL WELFARE Montpelier, Vt.

In accordance with established custom, we are presenting a summary of state assistance payments during 1949 to individuals applying from Starksboro.

These payments are financed entirely from state and federal sources except aid to dependent children in which the town or city participates to the extent of 12½ percent and committed children for whom the municipality reimburses the state for one-half the cost. The cost of all programs reflects to a large degree the economic consequences of the devaluation of the American dollar in terms of purchasing power and its effect on savings and investments.

Approximately 80 percent of all welfare and assistance in Vermont is now paid by the state. Vermont has proportionately fewer individuals receiving aid and smaller average payments than the national average. Over 95 cents out of each public assistance dollar is paid to recipients and less than five cents is used for administration. No other state has a better record.

Old age assistance	\$ 4,992 57
Aid to the blind	1,066 50
Aid to dependent children	1,126 20
Adult crippled aid	78 00
Total	\$ 7,263 27

W. ARTHUR SIMPSON,
Commissioner.

WARNING

The legal voters of the Town of Starksboro and Town School District, in the County of Addison and State of Vermont, are hereby notified and warned to meet at the Town Hall within said Starksboro on Tuesday, the 7th day of March, 1950, at 10 o'clock Standard Time in the forenoon to transact the following business, *viz.*:

1. Elect a Moderator for the ensuing year.
2. Elect a Town Clerk for the ensuing year.
3. Elect a Town Treasurer for the ensuing year.
4. Vote on the following questions:
 - A. Shall license for the sale of malt and vinous beverages be granted in this town?
 - B. Shall spirituous liquors be sold in this town?
5. How will the voters act on the Sunday law under No. 5 of the Acts of 1939?
6. Will the voters of the town accept the Auditors' Report for the year ending December 31, 1949?
7. Will the voters authorize the Auditors to employ the services of an accountant from the office of the auditor of accounts as provided for in sections 3603 to 3608 inclusive, to conduct an audit of the accounts of the town?
8. Will the voters vote to install a uniform system of public accounting, at cost, through the State Purchasing Agent?
9. Elect one Selectman by ballot for the term of three years.
10. Elect one Lister by ballot for the term of three years.
11. Elect one Auditor by ballot for the term of three years.
12. Elect one School Director by ballot for the term of three years.
13. Will the voters elect a Road Commissioner by ballot for one year or authorize the Selectmen to appoint one?
14. Elect one Cemetery Commissioner for a term of five years.
15. Elect an Overseer of the Poor.
16. Elect all other officers required by law.
17. Will the voters take advantage of the State Law as provided by No. 101 of the Acts of 1937? (*Note:* The law provides that if the town shall expend not less than \$25.00 per mile from its own funds, extra maintenance money from the State is available.)
18. What tax rate appropriation on the Grand List will the voters make for the Town School District?
19. Will the voters make an appropriation to take advantage of the State Aid on resurfacing, and if so, at what rate on the Grand List shall the appropriation be?
20. What tax rate on the Grand List will the voters determine to apply on indebtedness, and for current expenses for the ensuing year?

21. What will the voters authorize concerning the collection of Real and Personal Property Taxes, when shall they be paid, with or without discount, and to whom?
22. Will the voters appropriate the sum of \$200.00 toward the support of the Public Health Nurse (Maternal and Child Health Nursing Service) in order that the service already established may be continued, in such manner as to take advantage of Federal Aid?
23. Will the voters authorize the Selectmen to borrow money and pledge the credit of the town, from time to time, to provide temporarily for past and current obligations as found necessary or expedient by them?
24. Will the voters authorize the Selectmen to purchase a new safe of sufficient size to take care of the town records adequately?
25. Will the voters authorize the Selectmen to purchase, at a cost of approximately \$300.00, the Leased Land on which we now pay rental?
26. Transact, vote and act upon any further business which may legally come before said meeting.
27. To pass on the Minutes of Regular and Special Meetings not yet approved.

SHERMAN ORVIS,

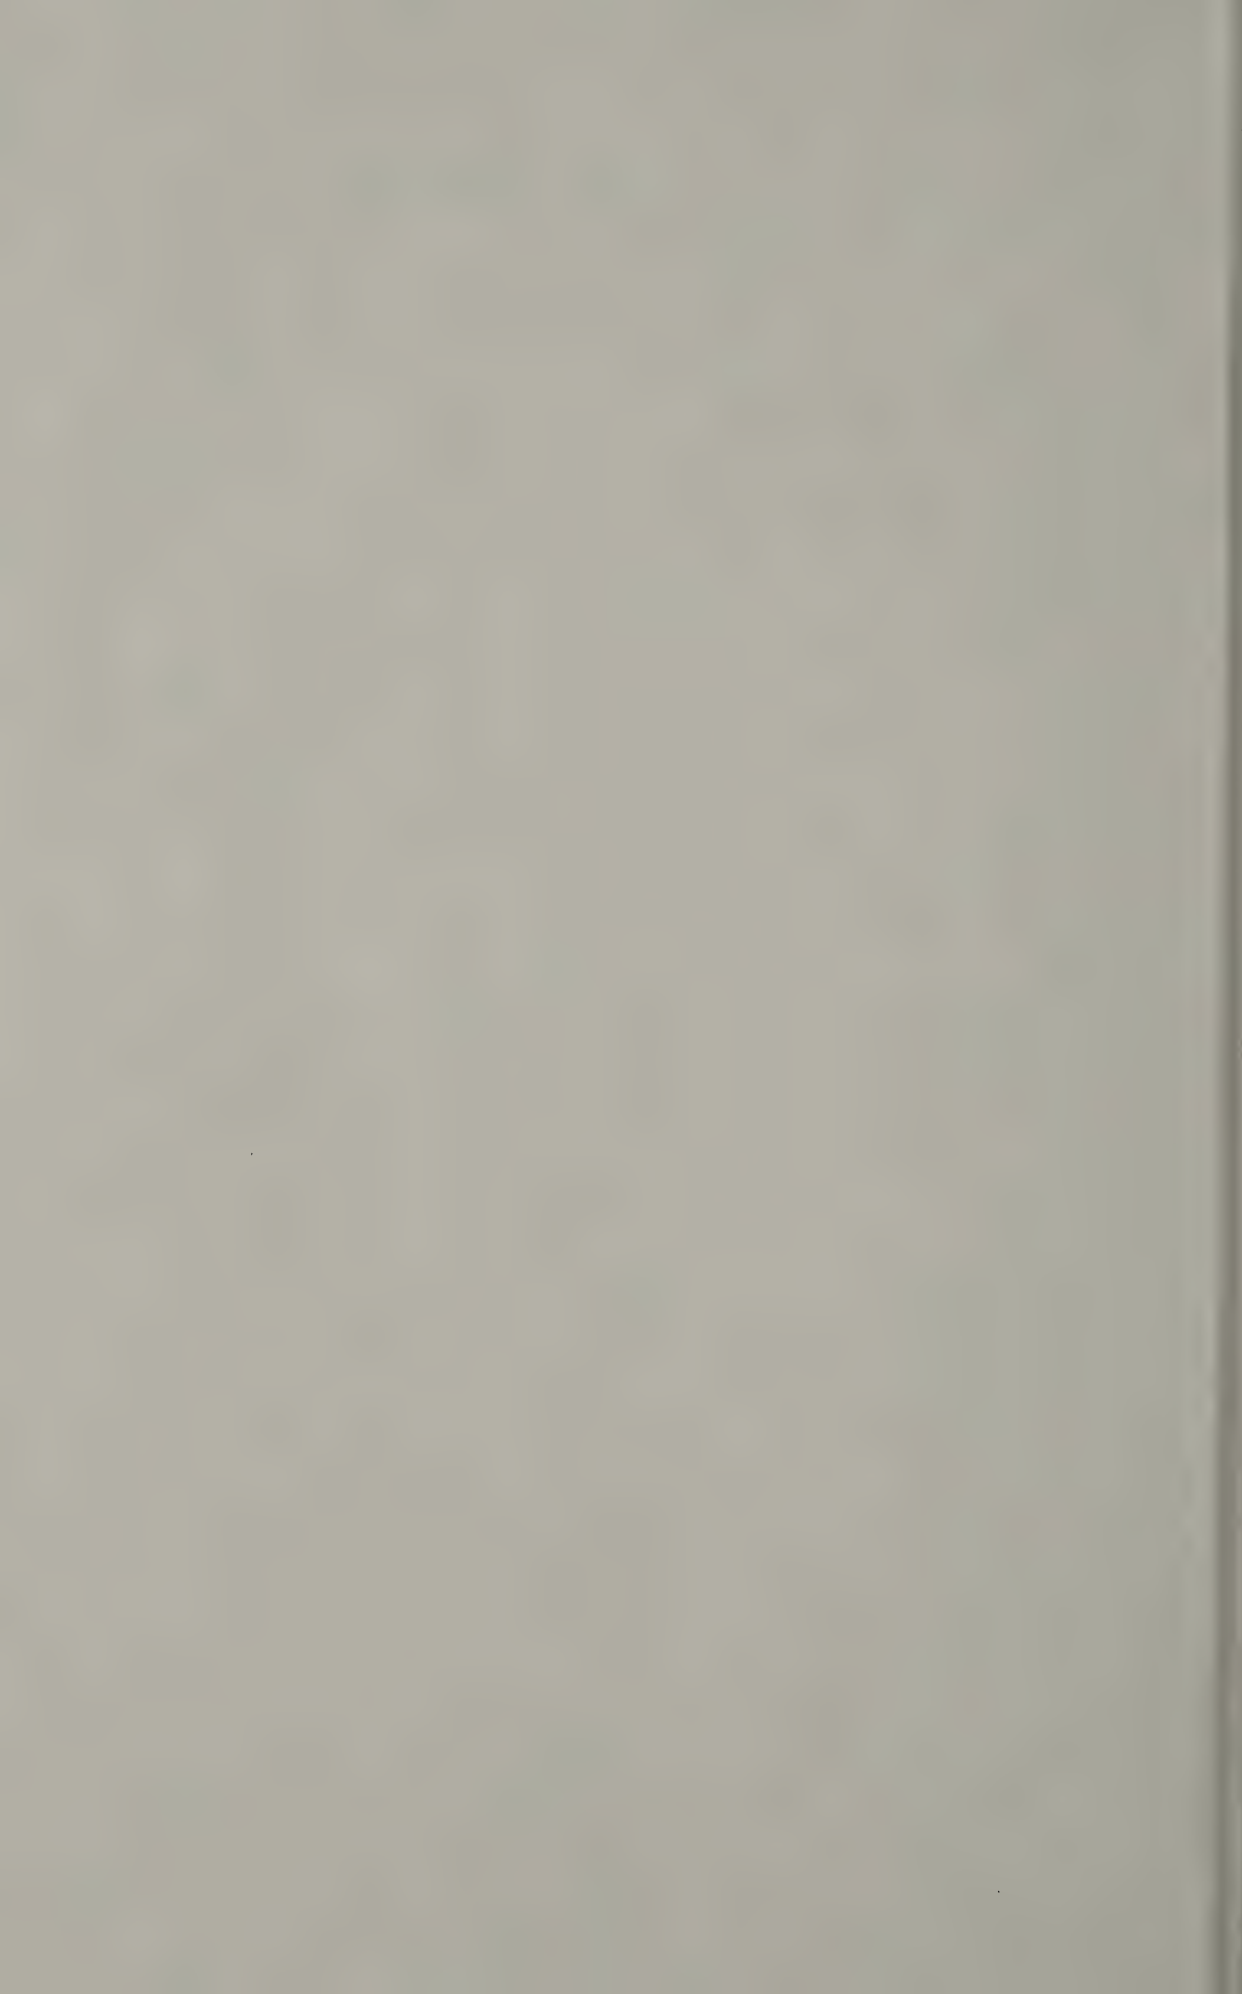

HARLEY BRACE,

HARRY STRONG,

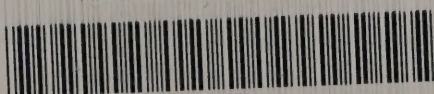

Board of Selectmen.

Dated at Starksboro this 18th day of February, 1950.
